Youth Fest

Celebrating Christ in everything we do!

But Jesus said, Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven.
- Matthew 19:14

BBC HISTORY

Bethel Baptist Church is located at 265 Rev. Timothy White Way (Bergen Street) between 3rd Avenue and Nevins Street, in Brooklyn, New York. It has been a long standing and prestigious part of the community and New York City. Bethelites have a proud and dedicated history of service in duty to the Master, God the Father, the Son, and the Holy Spirit. We do this through our worship services, our Christian study and our service through various ministries and outreach programs.

BBC MISSION

The mission is to win the lost, Build the Believer, and Equip the Worker through: Planting and Harvesting so as to make disciples, who can make disciples, so that we can exalt Jesus Christ our Lord and Savior through Worship, Prayer, Christian Education, Christian Evangelism, Christian Edification, Christian Missions and Christian Fellowship.

Youth Ministry

Bethel Baptist Church is committed to youth. Young people need Jesus in their lives as much as anyone. Satan has strategically focused his warfare on young people. The purpose of

Youth Ministry is to prepare children for effective ministry within the context of our church. Youth Ministry is an effort by the Christian community to reach out to youth with the love of God as revealed to us in Jesus Christ through the power of the Holy Spirit.

“Youth don't just want to sit around and have fun. They want to play games.”

The Tournament of Champions fosters better understanding and relationships by bringing together boys and girls of different ethnic and cultural backgrounds who share a love for Christ. Bethel Baptist Church Youth Ministry encourages youngsters to develop athletic and educational skills, and the sportsmanship qualities of discipline, fair play and healthy competition.

Our Tournament of Champions will address key areas of youth development including:

Health and Fitness. One of the most obvious benefits children will acquire from participation in the Tournament of Champions is a good amount of healthy exercise due to the style of games that will be played.

In a society where children are often not given the opportunity to participate in sport, the opportunity to let off steam and to get regular exercise is undoubtedly a real and important benefit.

Teamwork. Another of the benefits children can acquire is the ability to work in a team. Tournament of Champions touts team games where older and younger children mix, and there is a need for each child to work

as part of the team in some capacity.

Again, this is an important skill to learn, as it stands children in good stead for future life, whether in education, sport or an office-based situation.

A Sense of Identity. In addition to the ‘concrete’ benefits of participation, children will also benefit from the general atmosphere. The Bethel Baptist Church Youth Ministry Tournament of Champions is designed to help children who perhaps struggle to feel part of a wider community, or have been disadvantaged by an adverse family situation or a lack of opportunities.

We will focus not only on nurturing a love relationship between the youth and the Lord, but also how that love translates horizontally into their relationships with each other, their families, their friends, their peers, and the world.

Youth Ministry Vision

It is our desire that youth in the Body of Christ enter adulthood with a strong relationship with God, and not just practicing a religion. We would like to see youth enter adulthood with the following attributes:

- * An intimate relationship with God
- * A knowledge of His Word
- * A passion for prayer and worship
- * The desire and the ability to share the gospel with others
- * Discernment to know and do God's will
- * Godly friendships that will encourage and sharpen each other
- * A desire for ministry and involvement in the church

Anointed Voices Concert

**Invites and Encourages
you to join us in concert
to celebrate Youth Day.**

Have you ever wondered why God desires for his people to sing? What role should singing play in the life of a Christian? What is it about worshiping through song that is so important to God?

When you sing, you obey.

When you sing, you dig deep roots in the Word. When you sing, you build up others. When you sing, you are spiritually strengthened for trial. When you sing, you walk a God-designed pathway to joy. When you sing, you glorify God.

We want 100 Young People for churches, schools, and community based organizations across NYC to be a part of this unique collaboration.

*"Thy word is a lamp unto my feet
and a light unto my path." -
Psalm 119:105*

Bethel Baptist Church has celebrated Youth Day along with various Christian churches and denominations including the Baptist Church. Typically Youth Day occurs on the second Sunday of June. Youth Day provides a pillar of support for young people who want to get in touch with their spirituality and form closer bonds with their congregation by applying their creative talents to honor God.

Bethel Baptist Church uses Youth Day as an opportunity to showcase the growth of our children. It also:

Keeps Children Close to God

Youth Day typically has a theme designed through the collaborative

efforts of church leaders and youth.

Make Children Feel Belonged

Church can feel like a pretty big place, especially through the eyes of a child. Children may not be able to comprehend everything the minister says in the sermon, so Youth Day offers a chance for the sermon and activities to be targeted to young people.

Teaching Leadership

Youth Day is a way to develop leadership skills in our young members.

Creative Praise

Youth Day is celebrated as a way to foster creative and artistic skills in children and give them a platform for using those skills to praise God.
